

August 2018
DEALER ANNOUNCEMENT

IN-STOCK HO AND N SCALE PRODUCT LISTING

Included is a copy of our complete in-stock listing of product. All of these items are available in limited quantities, are first-come, first-served and are ready for immediate shipping. We hope this product will help to satisfy your needs during this interim period awaiting full production. This in-stock list will be updated periodically and made available for download on our website.

MANUFACTURER'S UPDATE

Since the announced closure of our off-shore supplier two and a half weeks ago, we have been busily putting alternate plans in place. Contact has been made with other suppliers with whom production will start soon. While delays from project to project will vary, we expect the flow of product to become more consistent than it has been during the past few months very soon. We at InterMountain are very excited about the changes and are looking forward to continuing to furnish our unique product line to the model railroad hobby. We will continue to give you regular updates of our progress.

HO SCALE BOXCAR KITS

AVAILABLE NOW

We have on hand stock of decorated boxcar kits from Hubert Manufacturing. Twelve of the available road names are being made available this month in kit form at a very modest price. Trucks and plastic wheels are included. Weights and couplers are to be provided by the modeler. The quantities for these items are limited, so place your order early!

HO SCALE ALUMINATORS

ADVANCE RESERVATION

The popular HO Value Line Aluminator is being offered for Advance Reservation in eight paint schemes. This model is available for immediate production and we anticipate the announced delivery to be more predictable than some items have been in the past. Reserve early so we can place our production orders quickly!

MIGRATION TO EMAIL MEMO

In response to many requests, we are now providing dealers and modelers our monthly memo in digital format via an email service. Please contact us if you would like to make any modifications to your email delivery or if you would still prefer to receive a paper copy of the memo.

Frank Angstead
InterMountain Railway Company

Trinity Aluminator[®] Coal Gondolas

Announced: August 17 Reservations Due By: October 31
