4785 Cubic Foot Hopper Cars

The first eight paint schemes of this ALL NEW hopper car model are ready for shipping before the end of December. The remainder of these items will be available within the next few weeks. This ALL NEW TOOLING is the latest model available from InterMountain. These cars were seen in interchange service nationwide from the late 1960's and early 1970's and many are still in service. Used for the transport of grain and other dry materials, they were used by all of the major and many of the secondary railroads. Up to six road numbers are available for each offering as per the prototype. Order soon as quantities are limited.

Gunderson 50ft. High Cube Double Door Boxcars

Both the Peaked Roof and Flat Roof versions of this model are being made available for the first time by InterMountain. A total of sixteen colorful paint schemes are available featuring six road numbers for each offering. From the late 1960's to current times these cars have been seen in interchange service across the nation. All of these cars feature double doors making it possible to accommodate a variety of loads.

Show Schedule Update

InterMountain will be represented at two shows in January. If you are in the area please be sure to stop by the InterMountain booth and see samples of new product and talk with the Company representatives:

PROTOTYPE MODELERS MEET – COCOA BEACH, FLORIDA
Friday and Saturday, January 10th and 11th.

AMHEARST MODEL RAILROAD SHOW – WEST SPRINGFIELD, MA
Saturday and Sunday, January 25th and 26th.

Frank Angstead
