

March 2020
DEALER ANNOUNCEMENT

To Our Customers, Friends, and Fellow Model Railroaders,

InterMountain is open for business. All order-taking, product inspection, and shipping are being handled with our normal processes. The additional GOOD NEWS is that our supply chain is currently functional. We have just received a new product shipment and are currently filling orders. We have also received notice of product shipments to us expected in the next few weeks. Production is continuous, which means that our supply of product should be strong throughout the year.

ADVANCE RESERVATION

ACF 2-Bay Hopper Cars

This month we are adding eight paint schemes of the 2-bay hopper cars for reservation. Four of the models are being done for the first time by InterMountain. All items will be equipped with InterMountain metal wheel sets and operating metal knuckle couplers.

AVAILABLE NOW

4785 Cubic Foot Hopper Cars

The remaining fourteen paint schemes of the HO 4785 Cubic Foot Hopper Car are soon shipping! This completes the first offering of this unique model as eight of the paint schemes have previously been made available to the market. This is ALL NEW TOOLING and all models are equipped with InterMountain metal wheel sets and operating metal knuckle couplers. These are very colorful models and the prototypes in some cases are still operating across the country.

A Note to Intermountain Railway Customers:

I want to take the opportunity to reach out to you all and express that we are aware, concerned and understanding about the difficult times we are all going through as local, national and global communities. We at InterMountain have always been committed to providing the model railroad industry and you as individual customers with the highest value product and the best customer service possible. We retain that strong commitment today as much as ever.

Our Colorado offices are open during normal business hours but we have suspended any non-essential tours, visits or face to face contact to the extent possible. We are also adhering to recommended safety procedures by local, state and federal leadership. Some staff members continue to work from home while others are working limited office hours. We will do our best to meet all of your needs but your patience is appreciated during this difficult time.

While safety is always our first concern, we have continued to be available to you through email, telephone and social media communications. Our customer service staff is available and ready to assist you upon request.

InterMountain has a fantastic dealer network and we always encourage our customers to conduct business and make your purchases through your favorite dealer to obtain our products. However, there have been many new challenges arising recently with the COVID-19 situation. If any customer faces issues with obtaining InterMountain products from your retailer, we do have an option in place to purchase products directly from InterMountain. There are currently no obstacles shipping in stock items.

Please call 1-800-472-2530 or email intermountain@intermountain-railway.com

We at InterMountain wish you all the best through this difficult time.

Best regards,

A handwritten signature in blue ink, appearing to read "Ron A. Angstead", with a long horizontal flourish extending to the right.
