DEALER ANNOUNCEMENT

HO Scale | PFE WOOD REFRIGERATOR CARS R-30-18, 19, 21

AVAILABLE NOW

Pacific Fruit Express was a joint venture of Southern Pacific and Union Pacific railroads founded in 1906. It featured a fleet of thousands of refrigerator cars carrying agricultural products in interchange service throughout the country. This service continued until 1985 when PFE ceased operations. In the 1930's and 1940's thousands of the early cars were refurbished incorporating new improvements including retrofit electric fans, convertible ice bunkers, a steel superstructure, wood sheath siding, AB brakes, solid steel roofs, rounded exterior corner posts, and convertible interior bulkheads. Many of these rebuilt cars continued in service into the 1960's.

This release includes seven of the popular, colorful PFE schemes featuring six road numbers for each item. All models are equipped with InterMountain metal wheel sets and metal operating knuckle couplers. Please confirm your Advance Reservations early as quantities are limited.

Trainworx Inc.® has announced all new LTL Tractor Trailers for advance reservation! Find out more information at www.train-worx.com. You can reserve yours through Trainworx Inc.® directly or contact your InterMountain Sales Representative.

BEST WISHES!

Our thoughts are with all of you as our Country and the world prepare to return to some level of normalcy. Stay safe!

Frank Angstead
InterMountain Railway Company
