

## ADVANCE RESERVATION

# Gunderson 50ft. High Cube Boxcars w/ Modern Ends

The colorful HO Gunderson 50 foot high-cube boxcar is available for Advance Reservations. Offered in eight road names, each with six road numbers, there is something that will appeal to every modeler. Six of the models are of the single door variety while two are equipped with double doors. All are being offered for the first time by InterMountain. These attractive cars are seen in service across the North American continent carrying varied loads. All models will be equipped with InterMountain metal wheel sets and metal knuckle couplers.

## AVAILABLE NOW

# Bi-Level Auto Racks

Eleven road names of these modern North American freight cars are currently being offered. Five are available for the first time from InterMountain. These unique models feature etched metal see-through side panels that give them a very realistic look on any layout. All road names are available in either four or six individual road numbers.

Be sure to confirm your Advance Reservations soon; most of the items are nearly sold out. They will be shipping this week!

Frank Angstead  
InterMountain Railway Company
