DEALER ANNOUNCEMENT

HO Scale NOW SHIPPING - BI-LEVEL AUTO RACKS

The remaining eleven paint schemes for the HO Bi-Level Auto Racks are ready to ship! these exquisite, colorful, finely detailed models are very close to being SOLD OUT, so be sure to confirm your Advance Reservations as quickly as you can. Each of the road names is available in four prototypical road numbers so it will be easy for modern day modelers to build a large consist of these unique cars.

Each of the models contains eighteen separate etched metal see-through panels creating a stunning appearance on a layout. Each car is equipped with Kadee #158 couplers and InterMountain metal wheel sets.

HO Scale GE EVOLUTION SERIES TIER 4 LOCOMOTIVES

Another group of HO Tier 4 locomotives is available for Advance Reservation. This offering includes the Kansas City Southern and six new special paint schemes for the Canadian National. These locomotives will be seen operating all across the continent for several years to come. Each of the road names is available in multiple prototypical road numbers if they are available. Each model will feature finely molded parts with road specific details, laser sharp decoration, and a smooth, powerful drive mechanism. Equipped with DCC Sound or DCC Non-Sound. A DC-only plug is available upon request.

HO Scale GRAIN TRAILERS WITH HERPA TRACTORS

Two paint schemes of the LoneStar grain trailers are available for reservation coupled with the Herpa Mack CH603 Tractor. These items are offered separately but are designed to be a matched set. Each of the trailer kits contains the appropriate decals for the matching tractor. The two paint schemes offered are for the Canadian Pool grain trailers, each scheme includes decals with nine trailer numbers. It will be easy to build a fleet of these beautiful models. These Lonestar products are MADE IN THE USA! Place your reservations early as they are expected to be available by May 1, 2021.
