GE EVOLUTION SERIES TIER 4 LOCOMOTIVES

Both the CSX and NS versions of the Tier 4's are now ready to ship! These paint schemes are available in eight (8) road numbers so build up your consist now! These beautiful locomotives are Officially Licensed with GE and represent the latest available prototypical motive power. The models feature railroad specific detail, prototypical color presentation, and laser sharp decoration. The Tier 4 is truly the locomotive of the future, both in the prototype and as a model. Quantities are limited so be sure to confirm your Advance Reservations quickly.

GENERAL SERVICE GONDOLAS

The recent release of the General Service Gondolas is gone! The interest in this spectacular model has been so great that in order to meet the demand we are putting them on Advance Reservation again! Four of the road names are available with steel sides and four others are offered with either plywood or board extensions. (The beet gon is back!!) All road names are available in multiple road numbers. Place your Advance Reservations early and build a loooong consist with these beautiful models. The two Southern Pacific beet gons are available in twelve road numbers each!

GE EVOLUTION SERIES TIER 4 LOCOMOTIVES

The Officially Licensed GE Tier 4 GEVO from InterMountain continues our tradition of excellence in this series of modern, GE-built locomotives. This model features finely molded parts and railroad specific details, prototype based color representation with laser sharp painting and printing, including the numerous miniature labels accurately represented. Our Tier 4 drive is smooth, heavy, and powerful.
