DEALER ANNOUNCEMENT

HO Scale 40ft. PS-1 Boxcars

SAVE THESE MODELS

Frequently we are asked about the production schedule for many of the items we have had a reservation for a lengthy time. There are many reasons for this. One of the reasons is lack of interest in the marketplace. Our Advance Reservations system is designed to measure this interest and if the response does not meet minimum order quantities for production, the project must be postponed or cancelled. The SAVE THIS MODEL program is our final effort to generate the level of interest necessary to go to production. In most cases we expect this effort to be successful as more modelers become interested in the individual products and place their Advance Reservations with their dealers. *The dealers in turn will add to their existing Advance Reservations and help us get to our goal.*

Modelers, please contact your dealer if you have interest in any of the fourteen paint schemes listed in the HO 40ft. Boxcar Memo page. Dealers, be sure to get your additional reservations in before September 30 so we can go to production with these attractive boxcar models. Review the artwork for all fourteen paint schemes in the Advance Reservation section of our website and make your choices!! Each model will be equipped with InterMountain metal wheel sets and metal operating couplers.

HO Scale 42ft. Fish Belly Flat Cars

ADVANCE RESERVATION

The new Advance Reservation item for August is the HO 42ft. fish belly flat car. It is offered in eight paint schemes, four of which have never before been offered by InterMountain. Advance Reservations are due by October 31. Each model is equipped with InterMountain metal wheel sets and metal operating couplers.

In-Stock List

InterMountain periodically notifies the dealers of all items that are in inventory. This month's in-stock list is quite extensive giving dealers many opportunities to replenish their shelves as fall is once again upon us. Be sure to get your orders in early as many quantities are limited.

Drawing Winner

InterMountain would like to congratulate Mr. Earl Lynam for winning our Locomotive Giveaway drawing at the Spring Creek Model Train Show. Thank you to all who attended!

AVAILABLE FOR A LIMITED TIME ONLY!

PICK SIX

This month several items are available at special pricing. Take this opportunity to put stock on the shelf for the coming modeling season! Be sure to get your orders in quickly as some items are available in small quantities.
