SANTA FE REFRIGERATOR CARS

LAST CHANCE TO RESERVE

Eight decorative schemes for the Santa Fe Refrigerator cars in both HO and N scale are getting ready to go to production. This is your LAST CHANCE to place Advance Reservations on this production run of these attractive models, prior to locking in our production numbers. While all eight have been produced in the past by InterMountain, we will be offering six new road numbers for each scheme. All models are finely detailed with sharp painting and printing and are equipped with metal knuckle couplers and InterMountain metal wheel sets.
