EVANS 100 TON COIL CARS

ADVANCE RESERVATION

We have begun the Advance Reservation period for the HO Evans Coil Cars. There are nine paint schemes and eight of them are being produced for the first time by Intermountain. Each item will be offered with six prototypical road numbers. All models will be equipped with Intermountain precision metal wheel sets and metal knuckle couplers. These cars were used in interchange service across the country so there is something for everyone.

BATHTUB COAL GONDOLAS

LAST CHANCE TO RESERVE

Production will soon begin for these unique coal cars. We are accumulating final numbers for the production run and expect to have the completed models early next year. There are five road names in HO and ten road names in N scale. Check your Advance Reservation quantities as soon as possible and add to your current reservation until the end of September. Each road name features 6 to 12 road numbers so it will be possible to build a large consist from this production run. Each model will be equipped with Intermountain precision metal wheel sets and metal knuckle couplers.

SANTA FE REFRIGERATOR CARS

NOW SHIPPING!

These sharply decorated highly detailed models feature eight prototypical paint schemes from the 1940's and beyond for early diesel era modelers. These cars were used in interchange service across the country carrying produce, meats and other perishable loads from the farm to the table! Each release includes six road numbers and includes Intermountain precision metal wheel sets and operating metal knuckle couplers.
