## R-70-15 Refrigerator Cars

**NOW SHIPPING!**

Nine paint schemes of the HO R-70-15 Refrigerator cars are now ready for shipping. Each of the schemes is offered with six road numbers so it will be easy for modelers of this era to build a large consist from this production run. These colorful models are all equipped with metal operating couplers, InterMountain precision metal wheelsets, and laser sharp decoration. We will prioritize shipments as we receive confirmation, so get yours in early.

## Procor Pressure Flow Hoppers

**ADVANCE RESERVATION**

There are eight paint schemes in this production run, three of which are being offered by InterMountain for the first time. Four road numbers are available for each item. Sharply decorated multi-colored bodies and outstanding logos are available! Each model is finely detailed with etched metal details and is equipped with InterMountain precision metal wheel sets and metal operating couplers. Place your Advance Reservations early so we can accumulate the necessary quantities to schedule the production run!

## 4650 Hoppers Still Available!

For those of you who haven't acquired your recently released HO 4650 hopper cars, this is a reminder that there are still some in stock and available for shipment. Contact your InterMountain representative to order now!

## Congratulations!

Congratulations to David Fuller from London, Ontario as the winner of the locomotive drawing at the recent Otter Valley Railroad open house in Tillsonburg, Ontario. David has selected a sound-equipped CN Heritage Series locomotive – CN Veterans #3015. We are looking forward to shipping it to him as soon as these locomotives are available.

## SHOW TIME!

Our next major show will be Trainfest in Milwaukee, Wisconsin on November 12th and 13th. This show appears to be coming back strong after missing the last two years. We expect a large crowd and hope you will be able to attend and drop by the InterMountain booth to visit with us! See you there!!
