ACF 2-Bay Covered Hoppers

NOW SHIPPING!

Five paint schemes of the 2-bay covered hopper are ready for shipping. Each of the schemes features six prototypical road numbers. These models are finely detailed with etched metal roof walks, laser sharp painting and lettering, with metal knuckle couplers and InterMountain precision metal wheel sets. These colorful cars from the 1960's to present are still seen in interchange service across the country. Confirm your Advance Reservations as soon as possible!

70 Ton Flatcars

NOW SHIPPING!

There are ten paint schemes of the HO 70 ton flat cars ready for shipping. Four of the schemes are being done by InterMountain for the first time. Each paint scheme features six prototypical road numbers. These cars were originally built in the 1940's and refurbished into the 1970's. Owned by most of the railroads during that time frame, these cars were used in interchange service all across the country. Each model is finely detailed with laser sharp decoration and equipped with metal knuckle couplers and InterMountain precision metal wheel sets. Confirm your Advance Reservations early.

SD40-2 Locomotives

LAST CHANCE TO RESERVE

Eight paint schemes of both the HO and N Scale SD40-2 locomotives have been scheduled for production. Review your Advance Reservations and let us know of any additions in order to be assured of inclusion in this production run. Advance Reservations will be accepted after the January 31st deadline, but we may not be able to fill late reservations. These colorful locomotives feature road names from across the continent with multiple prototypical road numbers for each scheme. Place your additional Advance Reservations by January 31st, 2023 in order to be assured of receiving these much sought after locomotives.

SHOW SEASON CONTINUES!

Cocoa Beach, Florida – Prototype Modelers! On the 6th, 7th, and 8th of January, 2023, nearly 300 of the finest and most knowledgeable modelers in the country will gather at the Cocoa Beach Hilton. Ninety six (96) clinic sessions are scheduled over the two and one-half days of the meet on varied topics in six separate rooms, presented by an array of some of the most noted clinicians in model railroading. Knowledge of the model railroad hobby and industry will be flowing down the halls of the Cocoa Beach Hilton. The model display will feature a large number of extraordinary subjects created by those who attend. A number of manufacturers will be on hand, including InterMountain Railway Company, to discuss their recent developments and answer your questions. Join us in Cocoa Beach for a fantastic model railroading weekend!!

Amherst Model Railroad show – West Springfield, Massachusetts. With a very successful Trainfest show in Milwaukee, we can look forward to the other extra large show of the season – Amherst! With normally over twenty thousand people in attendance this show offers four buildings full of manufacturers, vendors, operating layouts and other exhibits – something for everyone interested in the model railroad hobby! With two full days on the 28th and 29th of January, this will be one of the two biggest modeling shows of the year! Be sure to stop by the InterMountain booth and discuss all of the new developments with our staff.
