Cylindrical Covered Hoppers

ADVANCE RESERVATION

This release features eight paint schemes of the trough hatch version of the Canadian style cylindrical hopper car. Five of the schemes are being done for the first time by InterMountain. The Advance Reservation period runs through the end of May. At that time we will determine if the interest is great enough to order the production run immediately or extend the reservation period. This popular model will no doubt be ordered soon so get your Advance Reservations in as quickly as possible. All models will feature etched metal roof walks, laser sharp painting and printing, InterMountain precision metal wheel sets and metal knuckle couplers.
