F7A & F7B Locomotives **NOW SHIPPING!**

The first six colorful road names of the N Scale F7A and F7B locomotives are now ready to ship. These popular paint schemes span the entire nation, from border to border and from sea to sea. There is something for everyone. Additional paint schemes will be released for shipment later this summer. Please check our web site to identify your favorite locomotive! All models feature sharp decoration, wire grab irons, etched metal grilles road name specific details, and operating knuckle couplers. The DCC and Sound versions are equipped with ESU decoders. Quantities are limited so confirm your Advance Reservations as soon as possible.

SD40-2 Locomotives **LAST CHANCE TO RESERVE**

The first eight road names of the N Scale SD40-2 Locomotives will go to production in early August. We are offering the opportunity to increase Advance Reservation quantities or place Advance Reservations until July 31 before final scheduling. These models will be updated with accurate flashing ditch lights per prototype.

We are excited and proud to announce that we have added another key member to our InterMountain Management Team. Chris Palomarez joined InterMountain in May and is already making positive contributions every day! Many of you may remember Chris from his days of product development work with Microscale Industries or as a Brand Manager in the years he worked for Athearn Trains. Chris has been a passionate member of this fantastic hobby for most of his life and his experience and enthusiasm for trains and our hobby is endearing. Chris will be involved in research, development, product planning, project management and much, much more. Please join us as we welcome Chris to the InterMountain Family!

Scale

U18B Locomotives **ADVANCE RESERVATION**

Seven of the HO Scale U18B locomotives are offered for Advance Reservations. The Advance Reservation period ends on August 31. Two of the available paint schemes are being produced by InterMountain for the first time. All models are equipped with etched metal and wire details and ESU decoders.

N
Scale

ACF 2-Bay Hoppers **ADVANCE RESERVATION**

Eight paint schemes are offered for Advance Reservations. Three of the schemes are being offered by InterMountain for the first time. All models are equipped with etched metal roof walks, operating knuckle couplers, and precision InterMountain metal wheel sets.

SHOW TIME - SPRING CREEK MODEL TRAIN SHOW!

The Spring Creek Model Train show, held biannually in Deshler, Nebraska, is scheduled for July 8 and 9, 2023. This popular show features numerous layouts, several manufacturers, including InterMountain, and modelers from several states. If you are in the area, stop at the show and visit us at the InterMountain booth. When you are finished at the show, make your way up the hill to the Spring Creek Model Train Shop which features one of the largest inventories of model train "stuff" in the country. We are looking forward to seeing you in Deshler!
