MODERNIZED PS-1 50 FOOT BOXCARS WITH PLUG DOORS AND CUSHION UNDERFRAME

ADVANCE RESERVATION

These unique, colorful cars feature seven paint schemes that have not been offered before by InterMountain. Six road numbers are available for each paint scheme. These models feature laser-sharp decoration, metal knuckle couplers, and precision InterMountain metal wheel sets. These unique boxcars will be very popular so be sure to get your Advance Reservations in.

Pullman-Standard led the industry when the PS-1 50' Boxcar was introduced with welded construction in a new post war era. Being lighter weight, the welded construction was superior in strength and better resistance to weather and corrosion than contemporary riveted cars. A boxcar shortage in the 1970s triggered a wave of rebuilding of older equipment that possessed modern construction features. Many PS-1s were selected by railroads for modernization programs in this era. Shortening the ladders, removing the roofwalk to be FRA compliant, and rebuilding the doors was common practice. Plug door equipped boxcars with cushion underframes were selected by shippers and railroads to be utilized for weather sensitive and fragile commodities. Often seen carrying finished lumber or canned goods, these boxcars were a staple to manifest trains of the day.

CYLINDRICAL COVERED HOPPER CARS - TROUGH HATCH GOING TO PRODUCTION

These hopper cars are headed for production! In order to refine the production numbers, this is a final opportunity to review your Advance Reservations and increase as needed. We anticipate placing the production order in the first week of April! These eight paint schemes have been some of the favorites over the years and will be very popular when the production is completed. These important freight cars are still running in interchange service across the continent!

2024 LEAP YEAR SALE!!

Special pricing is available for seven HO models including 66 road names and three N scale models including 25 road names. All items are available in multiple road numbers. Quantities are limited so be sure to order soon. The special pricing is available for all orders received through March 20, 2024.
