PADUCAH GP10 REBUILT DIESELS

NOW SHIPPING

Ten paint schemes of the HO GP 10 locomotives have arrived our warehouse! This production run includes, by popular demand, two new paint schemes for Illinois Central targeting different eras. The orange and white IC features an inset headlight. The "OLS" IC GP10 is a brand new paint variant with "Frog Eye" headlights. Both versions represent the first time these detail configurations being offered in these paint schemes. Available in DCC Non-Sound and DCC+Sound equipped with ESU LokPilot or LokSound 5 configurations respectively. All of these locomotives are finely detailed featuring road specific features, metal knuckle couplers and laser sharp prototypical decoration.
